

**GUIDELINES AND APPLICATION FOR
THE HELEN F. WYLIE FOUNDATION SCHOLARSHIP**

HISTORY & PURPOSE:

Helen F. Wylie, by her Will, established an educational trust. The funds of this trust are to assist deserving young men and women of Owls Head, Knox County, Maine, in obtaining education beyond high school level.

PROCESS:

An awarding committee shall recommend to the Trustees the selections which in their judgment shall be proper according to the purpose of the scholarship and the criteria set out by the Will. The recommendations will be reviewed by the Trustees regarding conformance with the purpose and eligibility requirements. The awards may be by grant or loan. It is not the preference of the Trustees to award scholarships on a loan basis, but it is hoped that in the years ahead recipients of scholarship aid will be sufficiently appreciative, successful and motivated to ensure a continuance and expansion of this fund by, to the extent possible, returning funds to the trust.

ELIGIBILITY:

To be eligible, those receiving scholarships must be taking post-secondary level training or education at public or private colleges, universities, vocational or professional schools that are pre-approved as complying with I.R.S. regulations governing such grants. The education may be part time or full time. Because of the demand for a limited pool of funds, the Selection Committee has evolved a policy of restricting its awards to applicants attending undergraduate level programs.

Recipients must be and have been residents of Owls Head for a period of three (3) years prior to receiving an award or grant and must be thirty-five years of age or under.

The recipients must show promise of being able to benefit from further education beyond secondary level.

They must demonstrate:

- 1) Good character;
- 2) Good citizenship;
- 3) Need;
- 4) Ambition.

**Deadline: The application must be received by the Trustee
by April 24**
